xyz name

UI/UX Designer

Hi, I'm a passionate designer (2Year of experience in UI/UX) with a formal education in UI/UX Design and a postgraduate in design engineering (Mech). My interest in Human Behaviour, design-centric approach & User-centred solutions has motivated me to make the switch to the UX field.

I strongly believe, I design beautiful solutions that deliver an engaging experience, while simultaneously meeting the needs of the business. I am looking forward to work on the products that impart great experiences across platforms through a user-centred approach & become a valuable asset to an organization

- From: Jalgaon, India
- Lives In: Pune, India
- Age: 25
- Gender: Male
